

Gywde Privacy Policy

Last Updated: 30/08/2024

Thank you for choosing to use Gywde. Your privacy is important to us. This Privacy Policy outlines how we collect, use, and protect your information when you use our App. By using the App, you agree to the collection and use of information in accordance with this policy.

1. Information We Collect

1.1 Camera Permission

- **Purpose:** The App may request access to your device's camera to enable specific features such as capturing photos or videos within the App.
- **Usage:** Photos and videos taken with the camera may be used for user profiles and content sharing.
- **Storage:** Any media captured with the camera may be stored locally on your device and/or uploaded to our servers, depending on the App's functionality.

1.2 Location Permission

- **Purpose:** The App may request access to your device's location to provide location-based services such as local content recommendations, and job location.
- **Usage:** Your location data is used solely for providing the requested location-based features and improving the user experience within the App.
- **Storage:** Location data is typically not stored on our servers unless necessary for the feature you are using. If stored, it will be anonymized or aggregated to protect your privacy.

2. How We Use Your Information

We use the information collected through Camera and Location permissions to:

- Enhance and personalize your experience within the App.
- Provide specific features that rely on camera input or location data.
- Improve the functionality and user interface of the App based on usage patterns.

3. Sharing Your Information

We do not share your personal information with third parties, except as necessary to:

- Comply with legal obligations.
- Protect and defend our rights or property.

- Provide essential services (such as cloud storage) through third-party providers who are bound by confidentiality agreements.

4. Data Security

We implement appropriate technical and organizational measures to protect your data against unauthorized access, alteration, disclosure, or destruction.

5. Your Choices

- **Camera Access:** You can enable or disable camera access through your device's settings at any time. However, disabling camera access may limit certain functionalities of the App.
- **Location Access:** You can control location access through your device's settings. Disabling location access may affect the availability and functionality of location-based features.

6. Children's Privacy

Our App is not intended for use by children under the age of 13. We do not knowingly collect personal information from children under 13. If we become aware that we have inadvertently collected personal information from a child under 13, we will take steps to delete such information from our records.

7. Changes to This Privacy Policy

We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page and via. You are advised to review this Privacy email periodically for changes.
